

## **You are cordially invited to participate in our PURCHASE AWARD PROGRAM!**

*Purchase Award participants pledge to spend a minimum of \$100  
to purchase a piece of artwork from their choice of exhibitors at the fair.*

### **Why participate?**

Purchase Awards give quality artists an incentive to exhibit at Chiaha Harvest Fair.  
Chiaha derives no direct profit from the Purchase Award Program,  
but we all benefit from the participation of highly skilled artists.

### **How does being a Purchase Award Sponsor Benefit My Community?**

Purchase Awards = More and Higher Quality Artists = Increased Fair Attendance =  
Increased Gate Proceeds = More \$\$ for Local Art Projects and Scholarships

### **What are the Benefits of being a Purchase Award Participant?**

As a Purchase Award Participant, you're entitled to FREE admission to the fair, an invitation  
to the pre-fair party with the artists, public recognition for your support,  
and MORE based on your level of participation!  
And all you have to do is buy a piece of artwork! In fact, it's like getting a DISCOUNT!  
Check out the Purchase Award Form for details.

### **And remember...The Chiaha Guild is dedicated to promoting the arts and arts education.**

First, we share art with our community through the Chiaha Harvest Fair, a well-balanced, juried show  
of quality crafts and fine arts, exhibited and sold at individual artist booths. Combine that with a  
traditional fall festival, delicious food, and toe-tappin' music and you have Chiaha Harvest Fair.

Then, with our profits from the fair, we fund art scholarships and community art projects. Gate  
proceeds from the fair are used to fund arts scholarships at our local colleges, as well as fund visual arts  
education in grades K through 12 in Rome and Floyd County. We support the Rome Area Council for  
the Arts and award grants for Alton Holman Heritage Art School in Cave Spring. We have donated to a  
scholarship in memory of Stranger Malone, supported Congressman Phil Gingrey's 11<sup>th</sup> District Art  
Competition, and the National Creative Society.

**Don't miss Chiaha Harvest Fair on October 22 & 23, 10:00 a.m. - 5:00 p.m.!**
