

# Chiaha Harvest Fair Official Entry Form

The difficulties that COVID-19 has created for events such as ours has caused us to change the way that we handle applications this year. We are hoping to hold the festival as planned, but we are also aware of how quickly things can change. With that tenuous nature in mind, we invite you to apply and send only your jury fee at this time. When we are able to solidify plans for the festival we will contact you to send your booth fee and secure your space.

Prior to these current events, our board made the decision to move the festival to the Coosa Valley Fairgrounds in order to eliminate issues the park has presented for our artists and guests over the last several years. We are tired of mud, as we know you are, and are very excited about all of the fun things that we can do in this new location. We hope you will join us and that we can proceed with our plans for this year!
